

# HOW IT WORKS

- Sign up to the website
- Register your song
- Upload up to 3 of your original music videos
- Create a profile
- Link to your other websites (MySpace, Facebook, Flickr, YouTube, ReverbNation, Soundcloud etc)
- Promote your video(s) to as many people as you can and get them to vote
- The public free vote on the artist profiles
- Public votes determine position in website chart
- The top 120 videos go through to our TV show
- Random – we'll also select a random video entry for our daily show, weekly show and live final!
- We play your videos on our daily show
- The public phone or text to vote, YOU get 50% of the profit of your votes!
- If your video is the highest voted you go through to our weekly show where we'll play your video and interview you on TV (bring as many fans as you can)
- The public phone or text to vote, YOU get 50% of the profit of your votes!
- If your video is the highest voted you go through to our LIVE final where you play LIVE on TV to compete for first prize
- If you are the highest voted act, YOU WIN, we also have some great prizes for the runners up
- Every show has a random selection, EVEN the final, so you always have chance to win!
